Credit Hold: Future deliveries may be suspended for failure to make timely payments for any merchandise delivered to Customer. Pull'R may thereupon request, as a condition of further delivery, without releasing Customer of his obligations, that Customer pay cash in advance on future orders, and treat failure to do so as a breach of this agreement.

Failure to Pay: Customer agrees, upon acceptance of an invoice, should buyer become insolvent, file for bankruptcy or otherwise fail to make payment within the terms of sale, Customer will return any and all merchandise on hand, transportation charges prepaid and pay a 25% restocking fee.

Terms and Conditions Prevail: It is understood that the terms and conditions set forth above supersede any and all other terms and conditions that may be expressed by Customer.
